

Your backyard of bliss.

Pajamas and coffee to powder and corduroy in minutes flat, that's the beauty of having direct, private access to *Northstar California*™, a premier *Tahoe ski resort*. Only Martis Camp members and their guests are allowed vehicle access to the Martis Camp Express—the new high-speed quad lift at the base of Lookout Mountain. That means you avoid parking lots and long lines and put more time into your turns. You can even take advantage of home-pickup shuttle and valet service and arrive at the 12,970-square-foot Lookout Lodge where your boots remain warm and your skis are ready to play.

What every home needs: a mountain.

After slicing through fresh powder or making turns on freshly groomed trails, return to the Lookout Lodge where you can enjoy breakfast, lunch and a vibrant Après-ski scene. With

indoor dining, fireside seating, a cozy bar and expansive southern terraces with views of *Northstar's Lookout Mountain*, the Lookout Lodge is another ideal place for your families to create lasting memories at Martis Camp.

Not to be forgotten are the other dozen ski destinations not far from your Martis Camp home, places that add to that amazing roster of goodness that makes this community stand out. But still, to think that you've got 3,170 skiable acres and a private ski lodge just a few minutes up the road makes this amenity all the more amazing.
